Interstate 215 Alternating Full Nighttime Freeway Closures in Colton and Grand Terrace

SAN BERNARDINO - California Department of Transportation (Caltrans) continues to work on the I-215 Bi-County Project from just south of Orange Show Road to the 60/91/215 interchange. This weekend crews will be installing falsework for the new Newport Street bridge. This will require alternating full freeway closures for safety purposes as work will be conducted over freeway lanes.

Caltrans would like to thank motorists for their patience and support during this improvement project and asks that motorists be aware of the construction area and always make a point to...
